

PRADEEP METALS LTD

IMS POLICY

We at Pradeep Metals Ltd are committed to achieve and continually improve the effectiveness of our Quality, Environment, and Occupational Safety & Health Assessment System by:

- Improving product quality and customer satisfaction.
- Complying with applicable legal and other requirements by preventing pollution, injuries, occupational health hazards caused due to our products, processes and services.
- Optimizing the use of natural resources and recycling wherever and whenever possible.
- Providing a safe working environment for all stake holders, including the local community.
